

Everyone needs groceries and gas, why not let
5% of your purchase benefit our school?
It doesn't cost you anything extra!

It is as easy as:

PURCHASE, LOAD, SHOP...

PURCHASE - simply purchase your re-loadable King Sooper's card from the PTO. A \$5 gift card is redeemable for \$5 in merchandise. You may order cards by completing and turning in the form below. Completed forms along with \$5 may be turned into the office or placed in the PTO mailbox in the entrance of school. Please encourage family and friends to also purchase King Sooper's gift cards through our school!

LOAD - you can reload (add value to) your card indefinitely at the register or Customer Service Desk for any amount up to \$500. Tell the cashier that you would like to add money to your gift card. After that transaction is paid for, purchases are rung up and paid for using your King Sooper's gift card.

SHOP - KEEP YOUR CARD and use it whenever you shop or BUY GAS at Kings Sooper's. Gift cards may be used at Kings Sooper's or City Market Fuel Centers and are accepted at most Kroger affiliated stores throughout the U.S. ***SAVE YOUR CARD AND CONTINUE TO RELOAD***

Thank you for supporting our school!
